Card Sound Road offers an alternate route to Key Largo. Greyhound Bus Lines (1-800-231-2222), The Keys Shuttle (305-289-9997) and Florida Keys Express Shuttle (305-743-7454) serve the Florida Keys, Miami International Airport and Fort Lauderdale-Hollywood International Airport. Greyhound also services Marathon and Key West airports. Once you arrive in the Florida Keys, you may not need a car. In Key West you can park at the Park-n-Ride garage at 300 Grinnell Street in Old Town. You'll do and see more on foot. Potential RV Camping visitors should consult with our RV Camping grounds for advanced reservations.

By Sea

A Marker for Every Mile

Down here in the Keys, the Overseas Highway is like our Main Street. And the best way to get around is to know the mile marker of your destination. These little green signs that dot our highway every mile begin just south of Florida City with number 127 and run all the way down to zero in Key West. They're like our addresses. If you know the mile marker of where you're going, getting there is easy.

Alternative Transportation

Once you are in the Florida Keys, please consider using alternative means of transportation. The Greyhound Keys shuttle runs the length of the destination. In Key West you can use convenient public transportation, taxis, pedi-cabs, tour trains, trolleys, bicycles or even your own two feet to see the sights.
